

MAME SPECIAL PROJECTS GRANT

DETAILS:

- The purpose of this fund is to support and encourage professional collaboration among multi-age teachers.
- Teachers are encouraged to submit collaborative projects that are creative in nature.
- Up to \$5000 will be allocated to this fund each year.
- A maximum of \$1000 will be funded per application.

CRITERIA:

- A minimum of one applicant must be a MAME member in good standing for a minimum of two consecutive years
- This collaborative project must be relevant to multi-age settings and the application must clearly state project outcomes and a multi-age application
- Applicants may receive Special Projects Grant funding once every second school year
- If applying through divisional/school/other funding, applicant must use divisional/school/other funding first and then access MAME funds
- Members/Executive may only access one funding opportunity a year (not eligible for both PD funding and Special Projects Grant funding)

PROCESS:

- Applicants must complete “Application for Special Projects Grant” by April 15th of the current school year (September-August)
- Funding will be granted based on criteria and at the discretion of the committee. First vote will occur on or after September 30th of each school year and then will occur on going as applications are received.
- Applicants will be reimbursed funds upon completion of the activity once the following are submitted
 - A newsletter article for MAME which makes note of any particular strategies/techniques that other multi-age teachers would be interested in hearing about or an article that summarizes the activity.
 - Original receipts that are submitted to MAME
 - “Special Projects Grant Reimbursement” form filled out completely
 - Photocopied receipts for funds that were accessed through another organization (school/division) – if necessary
 - Copy of reimbursement form used to access funds through another organization (school/division) – if necessary
